General Information

Location – Wakeeney Livestock Commission Company Sale Pavilion, located at the west edge of town on the north side of the railroad track.

Terms – The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

Guarantee – All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

Bids – Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Allan Atlason or Ted Aegerter of American Shorthorn Breeders' Association, Chicago, Illinois; to the auctioneer, C. D. Swaffar, Tulsa, Oklahoma; to the press representatives; Mike Wilson, Kansas Farmer, Topeka, Kansas; or Wally Gladish, Kansas City Daily Drivers Telegram, Kansas City, Missouri.

Sale... "Good Doing" Shorthorns

HOTELS – Hotel Staats in Wakeeney will be sale headquarters. The Silver Lodge Motel located on U. S. Highway No. 40 will also provide splendid accommodations. The sale manager will make reservations for you if you like.

INSPECT THE CATTLE AT THE FARM – Henry Dietz & Sons will be glad to show the cattle to visitors between now and sale day at the Dietz Farm located 13 miles south and 1¼ miles west of Wakeeney on all-weather road.

HEALTH OF THE HERD – Everything sells officially calfhood vaccinated for Bangs and the Dietz herd has been handled in such a way as to guarantee its future usefulness in the new owner's hands. Regular producers, free from disease, and everything will sell with proper health charts that will allow entry into any state.

TRANSPORTATION – Wakeeney, Kansas is located on the main line of the Union Pacific Railroad between Kansas City, Missouri and Denver, Colorado, approximately 300 miles west of Kansas City and 300 miles east of Denver. Those wishing transportation from Chicago, Omaha or Denver can also use the Rock Island railroad lines which afford regular streamlined service and stops at Norton, Kansas, located just north of Wakeeney. All trains at Norton will be met if the sale manager or Mr. Dietz is advised.

Dietz SHORTHORN

Henry Deitz

Bought the tops... ...to Produce the tops.

Ever since Henry Dietz set out to buy his first registered Shorthorns in 1937, he has had only one thought and that was to build and create the best herd of breeding cattle he possibly could. Located in a great wheat-producing area with a lot of natural grazing land, he realized that good Shorthorn cattle would do well on his large farm and ranch. During the last seven years, those who have followed the sale reports of the nation's top sales have observed that he has been a systematic buyer of both top bulls and females. Even so, he hasn't tried to especially fit and show his productions, but has been content to develop the foundation for a strong herd.

Buyers have liked the Dietz productions because of the manner in which they were developed, the rich bloodlines and backgrounds and because they have been "good doing" cattle.

It is more than significant that at the 1951 National Range Bull and Performance Show and Sale at Broken Bow, Nebraska, the champion pen of three bulls were produced in the Dietz herd. They included two sons of Hillcroft Victory and one by Aberfeldy Insignia.

You will note that there are only five bulls in this sale and that most of the offering is made up of females. This is because buyers have been taking them at the farm as quick as they have reached serviceable age.

Buyers seeking some good females will do well to attend this sale; they won't find cattle that are highly fitted, but conditioned just right to go on and do well for their new owners.

I'd like to suggest that you plan on attending the Salina Sale on April 11, and this sale the following day. It will be your opportunity to see approximately 150 head of good Shorthorns. We would also like to point out that cattle in these two sales can be easily grouped for joint shipment.

Sale... "Good Doing" Shorthorns

We want you... to be our guests on April 12th at Wakeeney

Since buying our first registered Shorthorns in 1937, we have developed a very select cow herd, top females sired by top bulls and produced by top breeders. Mated with the best bulls we could buy, and we have been producing the type of Shorthorn cattle that meet today's demands. Because of this, we have only five bulls to sell in this sale, as buyers have been taking them from the ranch about as fast as we could produce them.

We are especially proud of the 46 lots of females; a good many of them are cattle that definitely should have stayed in our herd. In nearly every instance where we are selling mature cows we have, ourselves, retained one or more of their daughters. In those cases where we have offered younger females, we have retained their dams, so we really are dividing up with you some of the very best cattle that we own and we shall look forward to a visit with you on April 12th.

HENRY DIETZ & SONS

ATTEND THE SALINA SALE ON APRIL 11th

Wakeeney is directly west of Salina on U. S. Highway No. 40. We will assist buyers in assembling joint shipments of cattle purchased in our sale and this big Mid-Kansas selling event. Remember, there are over 150 head of top Shorthorns selling in these two sales.

ABERFELDY INSIGNIA - We purchased this son of Glenburn Goldcup in the 1946 International Congress Sale at Chicago from John Gardhouse & Son. The Get of Glenburn Goldcup were consistently top winners throughout Canada and Aberfeldy's Insignia's dam by the famous Perth champion, Millhills Ransom, was the 1941 C & E grand champion female. The Get of Aberfeldy Insignia have been very uniform in type and quality.

GOOD DOING ABILITY **IN DIETZ SHORTHORNS**

Our Shorthorns raised in the open under natural environment are healthy, good doing cattle, factors that are mighty important in this business of producing beef.

In the picture below are the dams of two of the bulls that were in our grand champion pen at Broken Bow last fall and they sell in this sale as Lot Numbers 34 and 35.

Here is pictured some of our cow herd on pasture early this winter. They are deep, thick bodied, good colored, healthy and prolific.

Sale... "Good Doing" Shorthorns

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
